TODAY I VISITED YESTERDAY

By: Pat Conner Rice

Today I visited yesterday,
And walked among the graves
Of family and friends from long ago.
Whose memory had begun to fade.

The graves were unattended
As were my thoughts of them
When a vision of the ages past
Brought back my sense of kin.

The vision showed the church lawn
On a crisp summer day
The table spread, the food prepared
And friends who would break bread

All my relatives were there.
Both young and old
Grandma and I walked hand and hand
Sharing stories never told

We laughed and cried and
Shared our thoughts.
And found the friend I thought I'd lost.
As the sun began to fade.

The church bell rang out clear
Grandma and the others slowly disappeared
Today I visited yesterday
And now the memory is strong

Of the family from which I came
AN NOW BELONG.

Introduction

Derivation of the Chatham Name

As people came to the new colonies their names were often spelled phonetically. So in court cases, census records, and even wills, you might have a variety of spellings. I have seen the same person's name spelled two or three different ways and it was obvious from the context, this was all referring to the same person. Furthermore, a person who was illiterate might not even know how their name was spelled. So the name Chatham has been spelled in a variety of ways.

Chatham, Cheatham, Cheetham, Chetham, Cheatham, Cheetam, Cheatum, Chattam, Chittam, Chittern are all variants of the same surname. The surname "Chatham" is most likely derived from the British word "ceto" and the Old English word "ham", meaning "wood" and "homestead". The name was given to those who came from Cheetham (homestead by a forest)¹, a place in Lancashire, England.²

Chathams Come to America

Most sources that I have read suggest that most all the Chathams in America can trace their roots back to a Thomas Cheatham, who was born 1644/45 in Lancashire, England. He is said to be "the original Cheatham immigrant to the New World."¹ There is some evidence from the research I have done concerning the Maryland Chathams, that Thomas may not be the first immigrant. There certainly are some Chathams that show up in Maryland at almost the same time, if not before Thomas. (See: "Other Maryland Chathams"). Thomas died 1726 in Charles Parish, York, Virginia. He married (1) **Margaret**. She was born about 1645 in Chesterfield, Virginia and died 6 April 1670 in York County, Virginia.²

In Anne Basset Stanley Chatham's book, *Tidewater Families of the New World*, she records the following note from: *Descendants of Thomas Cheatham of Chesterfield County, VA*, by Lucille Cheatham Mosely: "Thomas Cheatham I... was the original Cheatham immigrant to the New World. In Nugent's *Calalier's and Pioneers*, Vol. II, p. 358, he is listed as being a headright imported by Martin Elam. On 23 Oct 1690 Elam received 900 acres in Varina Parish of Henrico County... his right for importing eighteen persons. Among these 18 immigrants was listed Thomas Chetham. ...Thomas was in the colony long before Elam's 1691 claim. He is first found living in York Co., VA where the register of Charles Parish records the death of his wife in 1670... "Margarett Cheatham, wife of Thomas, died April 6, 1670." ...I believe Thomas married again in 1681 but can find no record of his second wife's name... Thomas was the only Cheatham listed in the Quiet Rent Rolls of VA for 1704, paying 1 shilling per fifty acres for his 300 acres which he purchased from Martin Elam on 29 January 1691 for 2000 pounds of tobacco. In his will of 2 May 1720 Thomas left his property to his eight children: Thomas, Jonathan, Marmaduke, Benjamin, Mary, Susanna, Tabythan, and William and his grandson, Thomas. His land... was left to his eldest son Thomas. His lesser effects were willed to his other children and grandson. Thomas' will

was probated 1 August 1726 so I assume that he had died earlier that same year, being about eighty years of age.³

If you look at the map, Charles Parish, York Co., Virginia, is just across the Chesapeake Bay from Worcester Co., Maryland; so it would have been very easy for one of the Chathams to go up into Maryland. But, in my research I have not yet been able to find when, where or what Chatham family or families came to Somerset or Worcester Counties, Maryland and whether or not there is any actual connection. William Cheatham who has done considerable research on both the Virginia and Maryland Chathams draws this conclusion: "I do NOT believe the Cheatham/Chatham families in Md. are connected to Thomas Cheatham of York/Henrico/Chesterfield Co. Va., at least in the U.S. However, I do think it's possible that they are connect together back in England."⁴

We do know that from York Co. Virginia, the families spread through out Virginia on to North Carolina and Tennessee, then from the Eastern Coast States into Louisiana, Kansas, Texas and across the rest of the United States.

Maryland Chatham's

For several years the futherest any of us could trace our line of Chathams back to was John B. Chatham. We knew that John B. Chatham was born (July 19, 1819) probably in Somerset Co. Maryland¹. and died (March 7, 1896) in Worcester County, Maryland. We knew that December 14, 1841 he married Narcisus Causey, daughter of Patrick Causey II, prominent and wealthy, long time citizens of Worcester Co. Maryland. At that point we knew more about the Causeys of Maryland than we did about the Chatham's of Maryland. John B. Chatham is mentioned indirectly in Patrick Causey's will as he wills part of his estate to his daughter, "Narcisus Chatham". The will was probated in 1842. According to the 1850 & 1860 Federal Census Records both John and Narcisus were born in Maryland and were living in Worcester Co. MD. In February of 2000, we discovered who John B. Chatham's mother and grand-parents were.

According to Chatham family tradition, namely, Floyd & Melvin Chatham, John B. Chatham was born John Beard (the "B" in his name standing for "Beard") and was adopted by the Chathams. A Mary-Jo Shores of St. Simons Island, Georgia report that her husband's mother, Irene Chatham Shores, who traces roots back to John B. through Josephus Chatham, also recalls that in their family there was a story of a Chatham adopting a Beard, although she thought it was a generation or two earlier. It turns out that John B. Chatham probably wasn't adopted, but he was orphaned and placed under guardianship of a Josiah F. Chatham, his uncle. Here's what we know about this.

In *Somerset Co. MD Wills 1820-1837, Will Book JP4*, by Ruth T. Dryden, 1987 we have John and James Chattam listed as the sons of Priscilla Chattam, daughter of John Chattam. John B Chatham would have been almost 11 years old when his grandfather's will was made. The following is an abstract of John Chattam's will:

"**Will of John Chattam**, dated 6 July 1830, proven 16 Mar. 1832. To son Josiah Chattam, Plantation (& named Executor); to grandsons John & James Chattam, sons of my dau. Priscilla Chattam, tr. bou. (transfer ^{from her} bounty) of Eleab. Beard called Latons Discovery; to son William; to grandchildren Josiah Thomas Banks, Priscilla Riggen, Margaret Hester Banks; mentions friend Jonathan Huffington (& named executor). Witnesses: Thomas Hitch, John Goslee of Jos., & John Goslee."

Notes/Commentary: Now why Priscilla and the two boys are listed as "Chathams", in the above will, and not by their Father's surname is puzzling. But the fact that a "Eleab. Beard" is mentioned in the will, especially in light of the family tradition concerning "Beard," is probably no coincidence. The best interpretation of all of this would seem to be that something had happened to Mr. Beard (he was killed or abandoned the family) and Priscilla and the boys had taken back the Chatham name. Or that Priscilla was never married and James & John are children born out of wed-lock. At this point we have no record of any marriage for Priscilla.

"Latons Discovery" mentioned in the will here and which is being passed on to John and James, is a 100 A. piece of land that is listed under a Thomas Beard on the Somerset Co. Tax List of 1783. ¹ How this piece of land comes into the hands of John Chatham, Sr. to be passed on by his will, is a bit of a mystery. John was married to a Sally Beard. So "Latons Discovery" could have been an inheritance of Sally Beard which became communal property when John married Sally. Or "Latons Discovery" could have been the remaining estate of a Eleab? Beard, Priscilla's late husband, which John Chatham, Sr. had somehow acquired and is now passing on to Priscilla's two sons.

The next evidence we find concerning John B. Chatham's mother and family are some court records where John & James are apparently orphans. In *Somerset County, Maryland Orphans Court Proceedings* the following three entries are found:

First:

Tuesday, 13 Dec. 1836: (Book 4 – June 23, 1829-June 26, 1838, p. 191)

Orphan: James Chittam (legatee of John Chittam); Appointed Guardian: John B. Slemmons; Sureties: Josiah Ellingsworth, John McDaniel

Orphan: John B. Chittam (legatee of John Chittam); Appointed Guardian: Josiah Chittam; Sureties: John B. Slemmons, Isaac Anderson

Notes/Commentary: Priscilla is apparently dead now and probably their grandfather as well. So Josiah Chittam (Josiah F. Chatham), his uncle, is appointed as John B.'s guardian. Josiah F. Chatham shows up in the 1830, 1840, 1850 Census all in Worcester Co., MD.

Second:

Tuesday, Dec. 31, 1839: (Book 5 – 1838-1843, p. 22)

John & Josiah Chittam, Hetty Banks, Betsy Pusey, William, Francis & John Chittam, Jr. are only heirs of Aquilla Chittam, a soldier in the Maryland Line in the Revolutionary War; John, Josiah, Hetty, Betsy & William are children of John Chittam, Sr., dec., a brother of Aquilla; Francis is s/o George Chittam, dec., John is s/o Aquilla; said Geo. & Priscilla are children of John Chittam, Sr.

Notes/Commentary: This court entry helps us identify several more people in the family and their relationships. You have to be careful not to confuse "heirs" with "children", i.e. the "heirs" of Aquilla listed here are not his children. The following relationships are defined: --John Chittam, Sr. and Aquilla Chittam are brothers; --John Jr., Josiah, William, Francis, George, Hetty Banks, Betsy Pusey, and Priscilla are all children of John Chatham, Sr.

Third:

Tuesday, April 28, 1840: (Book 5 – 1838-1843, p. 25)

Josiah Chittam, guardian to John B. Chittam, infant s/o Priscilla Chittam, dec., late daughter of John Chittam, the brother of Aquilla Chittam, soldier in the Revolutionary War, to sell certificates of land bounty scrip.

Notes/Commentary: Josiah is again identified as guardian of John B. Chatham, who again is identified as son of Priscilla Chittam. John is almost 21 years old by now even though he's referred to as the "infant s/o Priscilla Chittam". It makes me wonder if Priscilla died in child-birth or shortly after John B's birth??

A final piece of evidence is found in a little book *JP10 Receipts, Releases & Powers of Attorney 1830-1842* by Rebecca F. Miller. The following two entries are found:

First:

–21 Nov 1840. John B. Chatham, only heir of James B. Chatham, received from John B. Slemons, administrator of James B. Chatham, deceased, \$503.92 consisting of negro man Levin and cash, being balance of deceased's estate. Witnessed by: Levin White, J.P. (140)

Note/Commentary: John's brother, James apparently dies without a will while still under the guardianship of John B. Slemons. John becomes his brother's "heir". It's interesting that John B. Chatham inherits a slave named "Levin". John later names a son "Levin". Does this mean our "Levin James Chatham" was named after a slave? It looks like that may be the case.

Second:

–7 Sept 1841. John B. Chatham received from guardian Josiah Chatham \$240.97 and exonerated said Chatham from guardianship. Before James Pok, Regr (150)

Note/Commentary: John B. Chatham is now 21 years old. He's an adult and Josiah's guardianship is exonerated. The \$240.97 must be the remains of the inheritance received from his Grand Father, John Chatham, Sr.

For several years of my research, I had suspected a relationship between Josiah F. Chatham and John B. Chatham. I had even suspected that Josiah F. Chatham was John B.'s Father, but I could never prove anything until now (1999). It turns out that Josiah F. was John B.'s uncle and then later was named guardian of John B. when John & James were orphaned. As you look at the census records the "Chathams", the "Causeys", the "Fooks" were all neighbors located in and around Snowhill (Nutter's District) of Maryland, which was first located in Somerset County. But when Somerset County was divided, Snowhill became apart of Worcester County, Maryland. I had spent considerable time researching Worcester County records, but it wasn't until I looked into the older records of Somerset County, that I found John B. Chatham being named in his Grand-father's will, with his mother being identified.

Right now I am researching the connection between Francis Chittam/Chatham and the other Maryland Chatham's we find in Maryland at this time and earlier. Since the Levin Chatham Family reunion in Topeka in July, 2000, I have found what appears to be a connection between Francis Chittam/Chatham and Dr. Edward Chatham², a well documented Chatham who came to St Paul's Parish, Queen Ann's Co., Maryland in the early 1700's or late 1600's. Dr. Edward Chatham died about 1709 and named his eldiest son, Henry, in his will along with other named children. Henry is named executor along with his mother, of his father's will and is willed his "choice of 'Timberland' or two tracts, 'Inkersell' and 'Pascall Chance'. Apparently he chooses 'Inkersell' and 'Pascall Chance'. Although there is considerable information on Henry's younger brother, Edward Jr. and his off-spring, there doesn't seem to be much further information on Henry around "St Paul's Parish". But about the same time there is a Henry Chatham, married to Mary ??,

with two sons, Francis & Edmond, who shows up in Baltimore County, Maryland in records of St. George's Parish. This Henry fits the same age as "Henry, the son of Dr. Edward Chatham." Henry's son, Francis, would also fit the same age of "Francis Chatham", our oldest proven ancestor. But there's two weak links in this connection. First, I have no proven link between "Francis Chatham", our oldest proven ancestor and Francis, the son of Henry Chatham of St. George's Parish in Baltimore County, and secondly, I have no proven link between Henry of St. George's Parish and "Henry, the son of Dr. Edward Chatham. I.E. The work of a genealogist is never finished. I will continue to work to prove or disprove this connection. If the connection is proven, we have royal connections through Mary Drake, Henry's mother, who was a royal descendent of King Edward I of England.³.

1. Note: "Old Somerset County" (1666) originally encompassed parts of Sussex Co. Del., Wicomico Co. (1867), Worcester Co. (1742), and Accomack Co., VA.
2. Dr. Edward Chatham's name is found spelled both "Chatham" and "Chetham".

Chathams Come to Kansas

Brothers, Levin James and Charles Franklin, were the only two sons of John B. Chatham that we know of who came to Kansas.

Levin James Chatham:

Levin came to Kansas in 1881 and located near Nortonville, Kansas March 21, 1883. Levin James Chatham and Naomie Elizabeth Eshom were married at Oskaloosa, Kansas. I find it interesting that Levin and Naomie were both born near each other in Maryland, Naomie in Salisbury and Levin in Snow Hill. Whether they knew each other before they came to Kansas, I don't know, but they were not married until they came to Kansas.

We do know that Levin was married for a short time to a Miss Elizabeth Jones while he was still in Maryland. They were married in 1875. They had two sons who are reported to have died in infancy and then after only three years of marriage, Elizabeth passed away in 1878. It was three years after her death that Levin came to Kansas in 1881.

By the 1900 Federal Census Levin and Naomie were located in Leavenworth County (Longanoxie Twp), Kansas and already had nine children: Clara D (16), Stella D. (13), Elmer S. (11), Roy S. (10), Fredrick L. (6), Mary D. (5), Floyd S. (3), and Ralph S. (9 months).

By the 1910 Federal Census Levin and Naomie were now living in Osborne County, Kansas in Valley Township with ten children at home. Dora the oldest was already married to Chester Arthur Erhard (Jan. 2, 1906). Clara (24), Stella (23), Elmer (21), Roy (19), Fred (17), Mamie (16), Floyd (15), Ralph (10), and Melvin (3) were at home.

By the 1920 Federal Census Levin and Naomie were living in Osage Co., Kansas near Burlingame with only three children still at home: Stella (32), Ralph (20), Melvin (13).

Charles Franklin Chatham: 1.

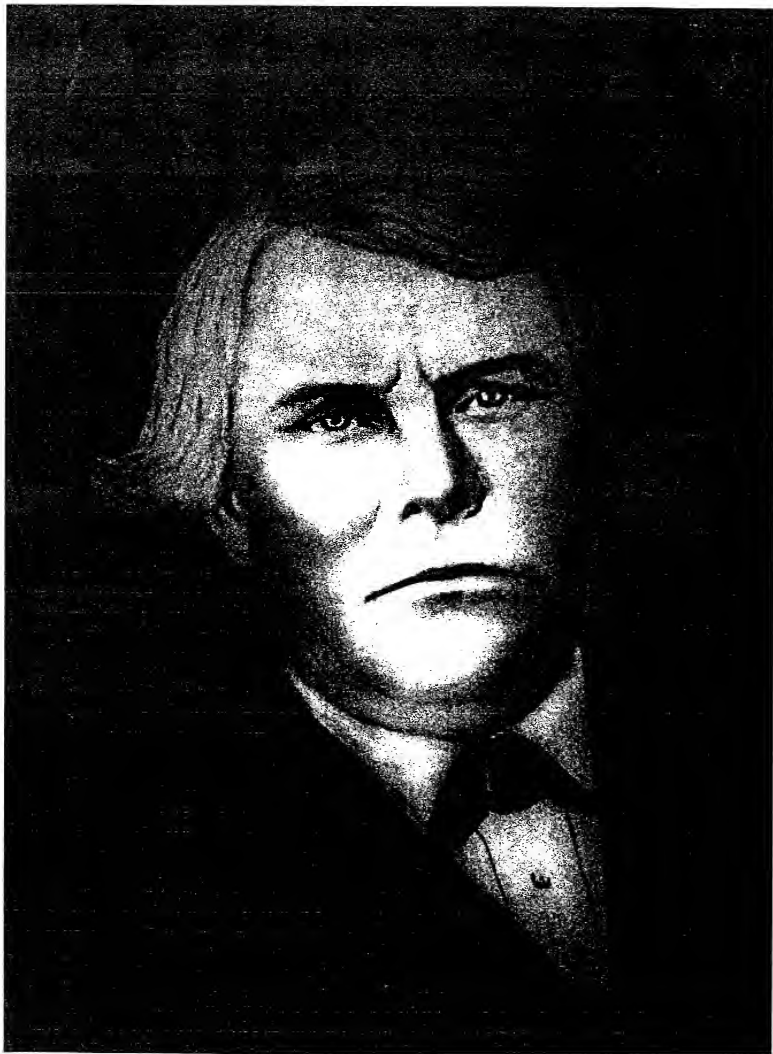

I have not been able to find exactly when Charles Chatham came to Kansas. We do know that the family was in Jefferson Co. Kansas near Valley Falls by March of 1894 because Lillie Ellen Chatham, their ninth child was born there. Apparently the two families knew each other, although

I have found no evidence the two families lived close to one another. "One brother, (Charles) Frank Chatham, (of) Rock Creek, Kansas" is mentioned in Levin James' obituary.

I have not been able to find Charles or any of his family in the 1910 Federal Census. In the 1920 Federal Census Charles is now 64 years old and is living with his daughter and son-in-law, William & Laura Welborn in Jefferson Co., Kansas in Fairview Township. Charles died August 7, 1932 and was buried in the Rose Hill Cemetery, Valley Falls, KS.

1. The majority of my information on the Charles Franklin Chatham family has come from LaWanda Wells, a great granddaughter of Charles. She lives in Oklahoma. Her Email address is: HONEYBLW@aol.com.

2. DORA CORNELIA⁴ CHATHAM (*LEVIN JAMES³, JOHN B.², ??¹ BEARD?*) was born May 27, 1884, and died July 20, 1977 in Harveyville, KS. She married CHESTER ARTHUR ERHART January 02, 1906. He was born February 22, 1882, and died November 20, 1965 in Harveyville, KS.

Notes for DORA CORNELIA CHATHAM:

History Written by Dorothy (Erhart) Isaacs, daughter of Dora (Chatham) Erhart and Chester Erhart:

I remember the good news that Grandma and Grandpa Chatham and Aunt Stella were going to build a new house and move real near us north of Harveyville. This thrilled me, as I loved to visit them and would rather stay with them than to go on a trip elsewhere with my folks.

Grandmother use to teach me what the Bible said. She had some special scriptures just for me. One I especially remember: "Sweet peace have they that love the Lord and nothing shall offend them." I needed that! Grandma always seemed to know just what I needed. Aunt Stella was always cooking good things and doing nice things for me. After Grandma and Grandpa passed away and Aunt Stella retired from her work at the Methodist Home in Topeka, she bought a house here in Scranton. She went to our church. She was faithful to give to Missionaries as she wanted to bring our Lord back and God's word to "who-so-ever" will.

My mother, Dora Erhart, was married to Chester Erhart about 1904 or 1905. To this union was born a son they named Ralph. He passed away in 1917 with diphtheria at eleven years of age. In 1908 another son was born. They named him George. He passed away April 9, 1998 at 89 years of age. After George was born, twins were born to Dora and Chester. They were named Martha Marie and Mary Elizabeth. They both passed away at an early age. I remember a picture of little Mary Elizabeth when she was about a month old and was told the beautiful dress she had on in the picture was made by Aunt Stella.

Around 1915 Dora and Chester moved from Jefferson County to Harveyville and in 1916 their youngest daughter Dorothy was born. In November of 1965, Chester passed away from farming most of his life. Dora Chatham Erhart passed away July 20, 1977. She had fallen and had a broken hip which left her in a wheel chair in 1971. She lived her last years in Osage Manor. She liked living there and loved her roommate. When I would bring her to my house for a few days, she would say, "Do you think she will be alright clear up there to the end of the hall by herself?" She was 93 years old when she passed. away.

Chester and Dora (Chatham) Erhart are buried in the Harveyville Cemetery.

3. CLARA MAE⁴ CHATHAM (*LEVIN JAMES³, JOHN B.², ??? BEARD?*) was born August 16, 1885, and died June 1980 in Auburn, Shawnee, KS¹. She married JOSEPH WESLEY RUSSUM September 01, 1910 in Luray, KS. He was born July 08, 1887, and died May 1971 in Berryton, Shawnee, KS¹.

Notes for CLARA MAE CHATHAM:

History written by Genevieve (Russum) Henderson, daughter of Joseph Wesley Russum and Clara May (Chatham) Russum:

As I remember Grandpa Chatham, he was a tall slender six-foot man. He was always busy. He didn't farm anymore but raised a lot of watermelon, pumpkins, potatoes and other garden produce. He was always outside hoeing and weeding. IN the wintertime he shelled corn off the cob for the milk cows and the calf they would save to butcher. Grandpa chewed tobacco and could hit his spittoon ten feet back. Aunt Stella would raise cane when he missed his mark. As he grew older his mind sorta went bad. When she would try to clean around his spittoon, he'd whack her with his cane. Grandpa had a brother, Uncle Frank Chatham, that lived in Rock Creek, Ks. He liked to come and visit Grandpa. They would set in the shade of a tree, whittle on a stick and tell about their younger days in Maryland. I think a little whiskey was mixed in (in Maryland). I'd love to sit and listen as they always told about the little men running up and down the horse lines as they drove Home. They said they had red coats and pointed heads. Then they would laugh. Of course as a kid I like to hear stories. All in all, he was a good ol'boy!

As I remember Grandma Chatham, she was a small person 5'2" or so; weighed less than 100 lbs. but don't under-estimate what she could do. Aunt Stella did the house work and the milking. Grandma raised chickens for eggs and meat. He arms were back and blue where the setting hens would pick her. She always sent to Sears and Roebuck for salted cod fish. They came in a wooden bucket. She would soak them in water all night and put them in with potatoes for breakfast. Were they every good!

Grandma was a Seven-Day Adventist. They held church at home. She read verses from the Bible and said a prayer. She didn't work on Saturday as that was her Sabbath. Dorothy Erhart and I both liked to stay and play at Grandma's I remember and I bet she does too--we got in a fight, over what, I don't know. But Grandma set me on one chair and Dorothy on another. We could not get up until we learned this Bible verse. I still know that verse by heart. "Great peace have they that love the law and nothing shall offend them." I have a letter that Grandma wrote me, June 11, 1951 consisting of six pages. She was 90 years old. She was quite a lady!!

As I remember my Dad and Mom -- Joseph Wesley Russum, born July 8, 1887 and Clara May (Chatham) Russum, born August 16, 1885. They were married Sept. 1, 1910 at Luray, Kansas. Children born to Wes and Clara: Irene (Russum) Baxter, born Aug. 14, 1911; Genevieve (Russum) Henderson, born Sept. 16, 1915 and Edith (Russum) Harris, born March 27, 1924.

They moved from Luray, Ks. to south of Lydon, Ks. in 1917. Dad farmed the Varner Ranch two years, then he bought a farm in Shawnee Country, SW of Auburn. We went to Sharon Grade School and Harveyville High School. We lived there from 1919 to 1934. Dad then traded his farm for a shoe shop in Meiden, Ks. in 1934. It was a good think, for lots of farmers lost their homes. It was hard times while we were growing up. We helped Dad in the field and Mom canned enough in summer for winter. She also made all our dresses. I never had a store bought dress until I was grown. The drought and depression had hit. The place he bought in 1919 for \$5,500 sold for \$800 in 1938.

In 1960 they sold the shoe shop and house in Meriden and moved to Irene and George's farm south of Berryton. They lived in a trailer until Dad died May 1, 1971. Mom could not live alone. She died in a resthome June 7, 1980.

They were good parents and gave us good life.

4. ELMER HARRISON⁴ CHATHAM (*LEVIN JAMES³, JOHN B.², ??¹ BEARD?*) was born August 15, 1888, and died April 20, 1944 in buried in Harveyville Cemetery. He married SARAH LELA COOK August 08, 1911. She was born December 15, 1891 in Paradise, Ks, and died December 23, 1987 in Holton, Ks.

Notes for ELMER HARRISON CHATHAM:

History written by Millie and Wilford (Bill) Chatham, son of Elmer and Lela (Cook) Chatham:

We lived in Colorado for much of our lives and had little contact with Grandpa and Grandma. However we do remember Grandpa's collie dog. (Does anyone remember his name?) It was in the late 1920's Grandpa had a most intelligent dog. When it would get close to milking time the dog would come and stand by Grandpa. Grandpa would say, "It isn't time yet." The dog would sit patiently until Grandpa would say, "Ok, it's time to go get the cows." And off the dog would go to bring in the cows. As a young boy I thought that was the smartest dog alive!

I'm sure we all remember and marvel that Grandma memorized chapters, not verses, of the Bible. Even while in her 90's she continued to memorize scripture. Once when we were visiting her, it had to have been in May of 1955, she was lamenting that she couldn't work in her garden as long as she used to.

Aunt Stella was quite the disciplinarian. Can you imagine making two active boys (Leslie and Bill) sit still in a chair while she scrubbed the floor and waiting until the floor was dry!

Our father, Elmer, was child number four, born 8/14/1888. He and Lela Cook were married 8/18/1911. They started their married life traveling to Colorado in a covered wagon. They homesteaded in Springfield* and together they built a sod house, which is still in existence, with some modifications, however. Their marriage was blessed with ten children, four boys and six girls. Faye was the first born 5/31/1912; Lora, 10/5/1913; Ruth, 3/11/1916; Leslie, 9/1/1917; Wilford (Bill), 7/21/1919; Maye, 6/26/1922; Neva, 12/14/1923; Clifford, 9/27/1926 and died 8/12/1983; Harry, 3/10/1927; and Arlene, 5/16/1931.

Elmer died April 20, 1944 at the age of 55. He is buried in the Harveyville Cemetery.
—Summer 1998

*Note: The Homestead was actually 7 1/2 miles north and 2 west of Springfield. I, George Chatham, grew up in the Sod house that is spoken of here. Only as I knew it, a bed room had been added to the North and a porch and bathroom was added on the south and the sod part was stuccoed. (George Chatham)

In talking with my Uncle Oran Chatham (summer, 1998) and recalling my Grand Father's (Fred Chatham) stories, there are some indications that Elmer may have suffered from some kind of chronic mental illness or seasonal depression. As a child Elmer was bitten by a rattle snake and nearly died. My Grandfather told of killing chickens and using the raw chicken as poultices to draw out the snake poison. But according to my Uncle Oran, in later years about the same time every year that Elmer had been snake bitten, he would have these episodes in which he would withdraw and go into the darkness of the storm cellar and just stay there for days at a time. Whether there's an actual connection between the snake bite and the episodes is probably debatable; but apparently at the time some of the family felt there was an association between the snake bite and the episodes. He may have had a seasonal depression.

Another story I recall being told about Elmer was the time he was digging the well on the homestead place. He was using a two blade post-hold digger to dig with. He accidentally chopped into his toe, nearly cutting it off. As the story is told he went into the house, cleaned it up the best he could, covered it with cow salve, bandaged and taped the toe back on and went back down in the well and continued digging. I am familiar with the well he dug. It was about 2 feet across and 65 feet deep. At the bottom of the well when he reached the sand stone, Elmer had chiseled out a cistern in the sandstone that formed a small room about 6 or 7 feet in diameter. I helped my Dad, Vernon Chatham, re-plaster the walls of that well in the early 1960's. The water was excellent water. The well went dry in the late 60 early 70's when the farmers in Eastern Baca County and Western KS begin to do deep well irrigation. —George Chatham

of grandpa other than he was gray and walked with a cane. Grandma and Aunt Stella had all kinds of vegetables and fruit. You were never long in Grandma's house until she would witness to you of her Lord and Savior. Then we would spend one day with each brother or sister, then start home. Each night we would go back to Grandpa and Grandma's and sleep on the floor or in the yard. Then when I was married and we lived in Topeka, John and I and family went out once in a while. Grandma would have John read the Bible to her. She learned the 14th chapter of John when I think she was in in 90's. The summer before I was married, grandma and Aunt Stella helped me quilt a quilt. They did this for people, charging \$3 a quilt. Grandpa died in Feb. 1940 before I was married.

I will now write about my dad, Roy Chatham. It will be just a little view I have of him as his second child. He was born in Jefferson County and went to Osborne county as a young man. His parents lived there awhile. He stayed, met my mother, his wife, Edith Lane, at Luray or Waldo, Kansas. They lived on two or three different places around Luray. Lepha and Velma were born there. Then they talk of a Ranch at Plainville. Eulah and Stella were born there. Uncle Floyd lived with them a year or so there. Then they moved back by Luray on a farm. Roy Jr. and Randal were born there. In about 1923 or 24, they bought a place in Osborn County. This is where Roy Jr. still lives yet today and the birthplace of the rest of the family: Naomi, Virginia, Nadine and Izora. After World War II, Roy Jr. got married and wanted to farm. Dad was getting arthritis quite bad so he left the farm and came to Topeka and bought a place. He worked at the Methodist home for awhile, then was a fireman for Washburn College until he retired. But Dad was a farmer at heart until the day he died, looking at the weather, the grain market and cattle market. I remember him as a very friendly person who never saw a stranger. He was on the township board. He was an assessor the township. He served on the school board, it seems like for years. He always took us to church and taught Sunday school class and was superintendent of Sunday School. I remember him singing to us kids, and bouncing us up and down on his knees. He could also play rough. I would get out of the rough stuff. He went to church with Grandpa Lane. His wife had died so he came home almost every Sunday with us. I remember laying on the ground under the trees in the yard to listen to Dad and Grandpa tell stories of horse trades and men that worked for them and things of their childhood. I always like this. I never remember dad or mother having an argument, but dad teased mother alot. He thought an idle kid was one in trouble, so he had work for us all, but he worked hard too himself. Through the 30's times were very hard for them as they lost two children. My parents encouraged all of us to go to high school and to work hard. As Dad got more crippled with arthritis and couldn't do so many physical things, he spent more and more time studying the Bible. He also did some gardening, standing on crutches as he worked.

He had all kinds of sayings and songs he could recite to us. One that I remember: "There's so much good in the worst of us and so much bad in the best of us; it ill behaves any of us to talk about the rest of us." He always told his grandkids, your dad is a laddy buck. He eats dead pig. Of course he got a delight when they would argue, "No he doesn't." He still loved the farm and land until the day he died.

Place of burial for Roy and Edith Chatham is in the Waldo Cemetery at Waldo, Kansas.

Notes for FREDRICK LEE CHATHAM:

Fred & Ethal Chatham

Fred Lee Chatham was born in Jefferson County, Kansas, May 14, 1892 to Levin James and Naomi (Esom) Chatham. In growing up, Fred, knew how to work. His Dad bought farms, grown up with cockleburs and brush. With his children's help, he cleaned up the land, developed it into a producing farm, then he would sell it and buy another farm that needed fixing up.

In his early 20's, Fred bought a team of horses, a grain wagon, filled it with supplies and headed for Colorado. He filed on a site located along North Horse Creek, northwest of Springfield, June 9, 1914. His brother, Elmer, had filed on a site a few years earlier on South Horse Creek, 1 1/2 miles from Fred's claim.

Ethal Etta Chenoweth was born in Douglas County, Kansas, January 6, 1894, to Daniel McClane and Joanna (Donega) Chenoweth. When Ethal was two years old, she, her two sisters and mother came to Lamar by train. Her dad met them and brought them by wagon to Baca County. Ethel's dad and brothers, had come earlier to file on sites and to build a house. Ethal grew to womanhood on her Dad's homestead on North Horse Creek.

Fred met Ethal at church at North Liberty School. When Fred and Ethal decided to get married, they went to Ethal's brother-in-law, J.W. Hazel, who was a minister. At the time, he was out in the pasture building fences. He married them right there, April 14, 1915. Fred and Ethal had six children, Ray, Oran, Ola, Vernon, Frank and Vela.

During the dust bowl days, Fred and his family were one of the few who stayed, fighting the save the soil from blowing away. While proving his claim and raising his family, Fred drove freight between Lamar and Springfield. He also hauled broom corn to Elkhart, Kansas. He made many trips to the Cedars to cut wood and fence posts.

Fred was active in organizing the Springfield Co-op. He served on the Board of Directors as their first treasurer. He served on the North Liberty School board many years. He assisted Claud Bosly in laying the rock walls when the Methodist Church was build, riding his horse or walking between his farm and Springfield (a good 8 1/2 miles cross county one way).

Fred bought his brother's homestead after his death, also the Lewis Skinner homestead. He raised registered Horned Herefords, then later changed to the registered Polled Herefords. Eventually, he turned his farming and ranching over to his sons, Oran and Vernon.

Ethal was a good neighbor and helped in childbirth or sickness. She passed away December 20, 1948.

In his later years, Fred came back to his homestead, milking cows, raising chickens and growing a big garden. He loved to go to Springfield to get rid of his cream, eggs and garden produce and to visit friends. Fred passed away August 22, 1978.

History written by Ola (Chatham) Schibbelhut, daughter of Fred Chatham:

The first year, for me, back to Kansas to see our Grandparents was 1920. When we got there from Colorado most of the cousins close by would come to the Grandparents. We would have abundant and delicious meals.

While the big folks talked, we were turned loose to play. As I was only one year old, we were all under the table playing with toys, I lost my temper and got in a fight with Wilford Chatham. I was nicknamed, "Miss Fisty."

It was always fun to go to the Grandparents. We all sang with Grandma and recited Bible verses, which we had learned out of the little testament she had given us.

Grandpa always sat on the porch with us and sang some of his old navy songs and told us funny stories about his life.

Our Dad, Fred Chatham, and Uncle Elmer came out West and homesteaded in Colorado. They both got their land in 1914, just across the hill from each other. It was about eight miles from Springfield. Dad started going to church at North Liberty School house. They had choir practice and they ran short of books. He had to share his book with a young lady, whom he shared his life with for 33 years. Fred and Ethel (Chenoweth) were married April 14, 1915, to this union six children were born.

Dad was a very hard working man. He raised cows, farmed and milked cows. He put out a big garden and all the neighbors and his family were well fed. He was always busy, even milked his old milk cow two

days before he died.

He passed away in a Springfield Hospital at age 86 years, 3 months and 8 days. He was laid to rest by (beside) his beloved wife of 33 years in the Springfield Cemetery August 25, 1978. Also proceeding him in death are his sons, Ray, Vernon (Vernon died in 1987, not before his Dad) and Frank.

JOSEPH H. FOWLER. He was born April 02, 1916, and died July 24, 1953.

Notes for MARY "MAMIE" ELIZABETH CHATHAM:

History written by Vivian (Frost) Houghton, daughter of Mamie (Chatham) Frost and Joe Frost:

My mother was Mary Elizabeth Chatham, better known as Mamie. She was the 7th of the Chatham children, in the middle of six boys. She was born in Nortonville, KS and moved several times as she was growing up. When Grandma and Grandpa moved to Ozawkie there was no high school in that city so Mother went to high school at Waldo, KS, staying with friends and milking cows for her room and board. She worked at the Ozawkie State Bank when she moved there and met my dad, Joe Frost. There were married in 1915. He had worked as a telephone lineman for his parents and also had learned to barber from his father. He bought the barber shop in Ozawkie, which was next door to the bank. After nine years I was born and she quit working away from the home until I was in the sixth grade.

We did not see our relatives often, as they lived away from us and we didn't have a car. Every year on Grandpa's birthday in July and after he died, on Grandma's birthday in June, dad rented a car and took mom and I for a week's visit. It was a fun time, seeing cousins, aunts and uncles as well as Grandma and Grandpa. There were alot of special things for a "town-kid" to do. Going with Aunt Stella when she milked and squirted milk to the cats was great. I never got the hang of milking! I loved Grandpa's mustache since he was the only one I knew that had one. Grandma always ang a hymn and also always had a peppermint for me after a meal. They had a big dog named Carlo who followed me around and I though he was great. He would go get the cow for Aunt Stella to milk in the evening. I'll never forget Aunt Stella's wonderful chocolate cake and the homemade ice cream. There was always so much good food the Aunts brought to the birthday dinners. For breakfast there was graham muffins and they drank Postum.

I remember when Grandma and Grandpa lived in the big house. I was quite small and whenever it stormed, and it usually did at least once while we were there, Grandpa sent everyone to the cave--day or night. Once in the daytime Uncle Melvin was napping on the couch and wouldn't get up. Grandpa said, "Well Melvin will just have to blow away, I guess." Fortunately nothing happened. Grandpa had been in or near a bad storm and was very concerned about "cyclones". The cave was always nice and clean with the cream separator and food (it served as the frig) down there. I liked going down into the cave, it was cool and smelled good to me.

Joe Frost died July 1953 and Mamie passed away in 1974. Their burial location is in Topeka at Memorial Park.

Notes for JESSE FLOYD CHATHAM:

WWI VETERAN, WIFE CELEBRATE 70 YEARS: (Cleveland Dail Banner, Sunday, January 10, 1993)
"Chatham recalls serving during war"

Recently celebrating his 96th birthday, World War I U.S. Navy veteran Jesse Floyd Chatham and his wife, Amanda, will celebrate their 70th anniversary May 6.

They moved to Cleveland from Cabot, Ark., on May 5, 1991 due to Amanda's declining health and to be near some of their children. Of their 11 children, eight are now loving and three of them reside in Cleveland along with several grandchildren and three great-grandchildren.

According to area veteran organizations, Chatham is one of only three other surviving Bradley Courtians

who are World War I veterans.

Chatham, who turned 96 on Jan. 5, is a native of Kansas and lived there when the United States declared war on Germany on April 6, 1917. He then joined the U.S. Navy on March 1, 1918, due to his father, a native of Maryland who had served in the Merchant Marines in the Chesapeake Bay and along the U.S. Eastern coast, encouraging him to follow in his footsteps.

Chatham traveled to Kansas City, Mo., to join the navy. He was then sent to Great Lakes training station for basic training. He did quiet well in his grades and was given an opportunity to go to Annapolis and to have a naval career but he opted to only stay for the duration of the war as he had committed to when joining the Navy.

Chatham was then sent to Newport News, VA., for further training to be a signalman on a ship. He was then assigned to a troop transport ship, the U.S.S. Huron. This ship had been confiscated from the Germans in New York Harbor (they had called it Frederick the Great).

The transport ship Chatham sailed on traveled in a convoy while carrying troops to France, but were allowed to go on their own at a fast speed on the return trips bringing back wounded troops. Chatham was told that on the trip preceding his assignment to the U.S.S. Huron, a German submarine had sunk three ships in the convoy on the way to France. They usually traveled with a battle-cruiser in front of the convoy, a battle-cruiser on the left side and another on the right, and a submarine chaser in the rear, with eight to 13 ships usually making up a convoy.

In one harrowing experience, Chatham remembers he was on duty high in the lookout position when a German submarine was spotted coming to the surface in the middle of the convoy. He said the Germans were no doubt mixed up and probably had intended to be off to one side of the ship ahead, which was full of war materials, and probably hoped to fire upon it without being spotted or at least to be out of range of most of the convoy ships' guns.

Instead, they were coming up in the very spot they most wanted to avoid (their periscope was above water). They quickly started to submerge and Chatham said he saw some of the poorest shooting he had ever see as all the ships were firing at the submarine but none were hitting it with their big guns. Finally, a torpedo was fired and evidently found its target as pieces of the submarine then surfaced.

Another even on the high seas that put fear in Chatham was a terrible storm one night when the waves seemed to be nearly as high as the mast and several lifeboats that were tied down with heavy ropes were ripped from their moorings.

On about Nov. 9, 1918, as they were sailing toward Newport News, Chatham said they heard rumors of an armistice soon to be signed. They were about 300 miles out of port on Nov. 11 when all the ships whistles started blowing and continued for quiet some time, signaling the cease fire. Ten days later, the German Navy surrendered.

Chatham made three ore trips to bring back troops before he was discharged from the Navy on March 5, 1919. He returned home to Kansas to fire with his brother Roy for a while. He then bought a new Ford for about \$550 and had about \$1000 with which he bought a barber shop that he operated for a couple of years. Then, he married Amanda Goodell, sold the shop, and bought a farm.

While farming in Kansas, the couple's first two children were born. They then moved to Missouri, continued to farm, and their next four children were born there.

They also became greatly involved in church work after being saved in a local revival held jointly by the Methodist and Baptist churches in 1931. They later joined what is now known as the Church of God of Prophecy.

After they both became ministers in the church, they moved to Iowa in 1937 to help in a new field for the church. The last five of their children were born in Iowa. There, they organized a new church in Boon, Iowa, and pastored several other churches before moving to Texas in 1953. After pastoring three churches there, they moved to Arkansas in 1960 and pastored two churches before retiring in 1966.

Although Chatham retired from pastoring, he served as district overseer, supply pastor, and helped in many other capacities until about two years ago when Amanda's health failed and he had to stay home with her.

Chatham has been teaching a Sunday School class until two years ago, and he was still driving his car until May 5, 1991, when he moved to Cleveland. He said he would then leave the driving to his son, Don. The couple live with Don.

Since then he has broken his hip and now walks with a walker, but is still quiet alert.

Chatham's three children and their spouses in Cleveland are: John and wife Dean; Joe; and Don and Virginia.

Chatham visited Cleveland many times since 1932, as he came here for his church's general assemblies.

He also had three lengthy stays here completing three terms of the church's institute for Bible training. He has grown to know and like Cleveland over the years and notes the climate is much like he enjoyed in Arkansas from 1960 to 1991.

He said that his wife Amanda has been his greatest asset to him in life and in his ministry and attributes his long life to his Christian heritage and the biblical promise of long life for honoring one's parents.

Notes for RALPH "MIKE" MONROE CHATHAM:

We Salute: R.M. (Mike) Chatham

(Newspaper Article sponsored by The First National Bank of Harveyville)

Mike Chatham has spent the biggest share of his working life in Harveyville community since he began barbering in 1923 here. He is presently the only businessman in town who was in business at that time. Mike took a year off from his profession in 1927 to give a hand at farming but an untimely hail storm forced him back into barbering. In 1935 Mike moved to Rossville where he barbered until 1940. The call to the old hometown finally won out and he returned to Harveyville and worked the next 15 years as custodian at the Harveyville High School. In 1955 he reopened his barbering enterprise and has served the community in that capacity since.

Mike is an avid baseball fan and was widely known and acclaimed for his pitching arm in his younger days.

Mr. Chatham and his wife, Izora, have raised three boys and a daughter. One son presently been known as good, solid Harveyville supporters and are always a "counted on" hand for community projects and activities.

History written by Max, Beth, Richard, & Robert, children of Ralph (Mike) Chatham and Izora (Fouts) Chatham:

We all remember Grandpa attempting to catch us with his wooden walking cane as he sat in his rocker in the living room by the floor furnace. Grandpa smoked a pipe but on special occasions our dad would bring him a cigar to smoke. Grandpa was very good handling an axe, chopping and splitting wood. When he was in his 70's he cleared a huge hedge row across the highway on Chester Erhart's property.

Grandma Chatham was a special person, small in structure but mighty in her influence. She could quote more Bible verses than anybody we knew and she lived by everyone of them. Grandma would turn in by radio to the gospel speakers and supported them financially on her limited income. Gardening was a big part of her life. She spent many an hour wearing her sun-bonnet, planting, caring, and harvesting the seasonal crops. Canning the bountiful vegetables and fruit from the trees was an important yearly task. But what wonderful meals Grandma and Aunt Stella could produce from their small acreage. Speaking of a strong

influence--when Grandma passed away at the age of 94, she had 125 living blood descendants and nearly 100% did not smoke or drink.

Aunt Stella, sometimes called Shorty, was a work-a-holic. She was always on the go, mowing the lawn, working in the garden, milking the cow, feed the chickens, cleaning the house, or fixing a meal. She could carry a full heavy sack of grain over her shoulder all the way to the barn. Stella was "a saint" in caring for Grandpa and Grandma those many years. We remember her agility as she would jump off their five foot front porch, running to return something to you before you reached your car parked at the iron gate along the highway. None of us will ever forget the delicious layer cakes that she would always make with that secret homemade filling and icing. Using rich cream and real butter were always the basic ingredients.

Remember her many stores she could tell about all her brothers, sisters and many of her nieces and nephews; how she would have that big laugh and would slap her hand on her knee as she told the story.

We all remember the windmill pumping water north of the house and the wind charger producing just enough electricity to produce a very dim light for night reading. Remember the large honeysuckle vine on the north side of the front porch and the exciting hunts that were made for the four-leaf clovers that grew abundantly on the front lawn. We also remember the afternoon ball games played on the front lawn after consuming a large meal.

Grandpa passed away Feb. 13, 1940 at the age of 87. Grandma left us Oct. 20, 1955 at the age of 94. Stella was 92 years of age when she passed away. All three are buried side by side in the Harveyville Cemetery.

Ralph (Mike) Monroe Chatham, born in Winchester, KS and Izora Fay (Fouts) Chatham, born in Richland, KS were married in Alma, KS, September 3, 1924. To this union four children were born: Glen Max Chatham, born March 30, 1926, Beth Ardell (Chatham) Falk, born April 24, 1928 and twin boys, Rich Dwight Chatham and Robert Duane Chatham, born March 11, 1934.

By trade, dad was a barber for 58 years in Harveyville. He did cut hair in Rossville for four years after trying to farm during the dust bowl period. Dad was also a custodian 12 years at Harveyville High School, during the time we kids were in school. We though he took this job to keep track of us as we went through high school. He was always so proud of his clean building. His favorite pastime was pitching baseball. If he wasn't playing he was coaching the Harveyville town team. The Chathams at one time could fill every infield position with Melvin, Ellis, Mike, Max, Richard and Robert all playing for Harveyville. He loved most sports and was a good horseshoe player.

Mom was a homemaker. She had one of the best green-thumbs and was always starting new plants for family members and friends. Her talents were sewing, making quilts, crocheting, fixing ladies, hair, tending to her flower beds and cooking. Many a bed is covered with a quilt made by Mom and Beth.

Dad passed away June 12, 1983 and is buried in the Harveyville Cemetery. Mom is 96 years of age and is living at the Plaza West Care Center in Topeka. She is the last surviving member of the Fouts family which numbered 15 children.

Notes for ROBERT MELVIN CHATHAM:

History written by Reta (Chatham) Riggins, daughter of Robert Melvin Chatham and Esther (Romine) Chatham:

I'm Reta Riggins, daughter of Robert Melvin Chatham, the youngest child of James and Naomi Chatham.

I was born 11/25/1933 so don't remember Grandpa too much. He always set by the furnace grate in his rocking chair. He would get us kids around the neck with his cane and pull us to him. I remember running to get by before he caught us. It was great fun before we got stopped running. I'm sure we enjoyed it. After my dad grew a mustache I thought he looked like Grandpa.

Grandma was tall and then and ever straight for her age. She liked to hoe in her garden and flower beds and worked up into her 90's. She loved music. We always had to sing a song and recite a Bible verse. She was a happy person. She sewed or read her Bible when she set down to rest.

Aunt Stella lived with Grandpa and Grandma. Grandma was always getting after Aunt Stella for getting after us kids. Stella made wonderful angel food cakes in her kerosine oven. They always had a cow for milk and cream, chickens for the eggs and meat. Stella worked hard taking care of all this but she would fly into everything, always on a half-run. They had fruit trees and a good garden every year. She would can everything. Grandma would help peel the fruit and vegetables. Grandma never set without something in her hands.

Robert Melvin Chatham married Esther Louise Romine Jan. 8, 1930. They moved to Levin James and Naomi Elizabeth Chatham's farm. James had moved his family from Ozawkie when dad was in the 7th grade. The farm was located two miles north of Harveyville, one mile east and one-fourth mile north. Grandpa, Grandma and Aunt Stella moved to their new home one and one-eighth miles north of Harveyville on the Country Rd. Grandpa had it built for them. The home had two bedrooms, a front room and dining room together, a nice kitchen and an enclosed back porch; a nice basement; no bathroom, but a room for it between the two bedrooms.

The folks stayed at the farm north of Harveyville (they bought it from Grandpa) until 1940. Then they bought a farm 4 miles east and 3/4 mile south. The house and farm buildings were located down a long lane off the main road. They sold it in 1990 after dad had a stroke. They then moved to Osage City. Dad soon had to be in the rest home. He died Dec. 27, 1992. He is buried in the Burlingame Cemetery beside my brother Ellis Wayne Chatham, who died June 9, 1959 of a cerebral hemorrhage. He was born July 29, 1931.

Mom now lives with my sister, Iona Anstaett and Tom in Leavenworth, Kansas. She will be 89 years of age August 17, 1998. Melvin and Esther had four children. Ellis the oldest child was born July 29, 1931; Reta Mae born Nov. 25, 1933; Iona Kay born May 9, 1942 and Linda Jane born July 28, 1947.

VERNON IRA⁵ CHATHAM (*FREDRICK LEE⁴, LEVIN JAMES³, JOHN B², ??¹ BEARD?*) was born June 13, 1921 in Baca County, Colorado, and died May 23, 1997 in Baca County, Colorado; burial Springfield Cemetery. He married MARY MARIE SPITZER January 05, 1947 in Lamar Colorado -- Prowers County, daughter of ELI SPITZER and EVA COLBURN. She was born May 14, 1925 in McClave, Bent Co. CO.

Notes for VERNON IRA CHATHAM:

"I have always been a part of Baca County. I was born June 13, 1921, on my Dad's homestead, eight miles north and 2 1/2 miles west of Springfield.

"When I was almost three years old, my parents, Fred and Ethal, moved their family to Uncle Elmer Chatham's homestead, 1 1/2 miles southeast. I lived there until Uncle Sam called me to serve in the army in September, 1942.

"I went all eight grades to the North Liberty School. Some of my teachers were Mary Burton, Allie Gold, Dorothy Decker, Mrs. Mitchell and Eunice Newland. My brothers and sisters and I walked or rode horseback the 1 1/2 miles to school.

"After graduating (8th grade), my brothers and I drove the school bus for North Liberty School. The school bus was either Dad's car or my brother's car. During the summer, I worked for Mr. Skinner, Newt Arbuthnot and other neighbors.

"After serving the army in South Africa, Italy and Germany, I came back to Baca County in September, 1945. I went into farming and raising registered Polled Herefords with my dad. I also helped my brother, Ray, in Chatham's Garage & Welding. After Ray's death, I took over management of the garage along with farming.

"My wife, Mary, grew up in the Wiley and McClave, Colorado, areas. Her parents were Eli and Eva (Coleburn) Spitzer. Mary was working at the hospital in Lamar with my sisters at the time we met.

"We were married nine months later and moved in with my brother, Ray, on Dad's homestead. Two years later, Mary and I and a small son moved back to Uncle Elmer's homestead, the place we now own. The sod house that Uncle Elmer laid up as his second home is still standing. Our children knew it as their home. We have since moved into a mobile home.

"We have three wonderful children, George Marion, Ilene Fay and Paul Wayne. George and his wife, along with Ilene and her husband have entered the ministry in the Church of God. Paul and his wife have decided to stay on the farm and follow my footsteps by farming, raising cattle and doing mechanic and welding work. We have five (they have 9 grand children as of 1994 -- GMC) beautiful grandchildren who we dearly love to spoil.

"After raising our children, I continue to farm and do odd jobs while Mary went back to nursing for a time, the work she loves. She now pursues her hobbies of gardening, crocheting and quilting.

"Mary and I attend the Church of God where we have learned to love the Lord and his people.

--Vernon Chatham

(History Written for the Baca County History book, I believe it to have been written sometime after 1978. It was written before they moved from Elmer Chatham's homestead to a 3 or 4 acre place about 1 mile NE of Elmer's homestead. The place is located 5 or 6 hundred yards south of the "8 mile road" on the right hand side of the 2 mile road going west.) GMC

"Daddy said to tell you that in the Dust Bowl days, He and his brothers kept a tractor running night and day listing, to try and control blowing dirt. A lot of land that they listed was land that had been deserted by Tenants and landowners. They could get \$.50 an acre if you turned it in to the Agriculture Conservation Service. During the Dust Bowl days, a lot of people lost their ground because they couldn't pay taxes or couldn't make payments on land." --Mary Spitzer Chatham in a letter (no date) but believed to have been

written in 1990-91 when Ben or Sarah Chatham were doing a family history in Middle school at Grand Rapids, MN. (GMC)

Eulogy for Vernon Chatham

by

George Chatham, His Oldest Son

Although our Dad worked hard all his life as a Rancher and Farmer and that is a very rich part of our heritage that we are all proud of, Dad was more than a Rancher and Farmer. Livestock, buildings, and ultimately the land will pass away, put hopefully what my Dad produced in us his Children and Grand Children, will not pass away. The real lasting heritage of my Dad was his character and the character he and Mom help to reproduce in us his children. In this day and age in which character and integrity is so often lost, my Dad was the most honest and real person I have ever known. He was never two faced with anyone. What you saw was what you got. If he gave you his word, he kept his word.

The most important person in the world was Jesus Christ to my Dad. His favorite verse in the Bible was Matthew 6:33 "But seek first his kingdom and his righteousness, and all these things will be given to you as well." My Dad didn't just claim those words, he lived out those words in his priorities of life. Thus, Church was more important that finishing the field on Wednesday evening or getting the harvest in on Sunday. As a result the lasting legacy of my Dad, will not be the few humble material things he left behind, but the eternal kingdom he invested all his life in. Although we all will miss him terribly, this day is not a day of hopelessness, but a day of celebration. We now have someone up in heaven, cheering us on to that great day when we all can be together again.

GEORGE WILLIAM FRANK

1912-1998

George William Frank was born December 22, 1912 near Balko, Oklahoma to Adolph and Julie (Balzer) Frank, and departed this life May 17, 1998 at home where he had lived for almost 48 years.

In March of 1916, because of the drought in Oklahoma, the Frank family moved from Oklahoma to the open country of Colorado to prove up a claim. George was four years old when he came by covered wagon to Colorado with his mom, dad and two year old sister, Lydia was born there in 1920. His father Adolph was a farmer, auctioneer and a freighter. In later years as his father, auctioned, George clerked the sales. He worked with horses and mules and they raised a few cows, pigs and chickens.

As in Oklahoma, hard times were to come to the Frank family in Colorado. More than once, his father Adolph sold all of their belongings, except a team of horses, a wagon and their land. Moving to Granada for a couple of years, George remembered going with his father on the mail route from Granada to Two buttes. In the spring when George was in he eighth grade, they moved to Texas where his father Adolph worked in the oil fields. While they were there, George got a job driving a tractor for a farmer. But the family once again returned to their homestead in Colorado.

George got his schooling at Pleasant Heights, Ridgeview, Riley and spent two years at Granada school.

Growing up, George Learned his father's trade of breaking and training horses and mules. George was also taught the importance of hard work. The neighbors were envious of their well trained teams.

Spiritual values were also instilled into George's life. As his mother sat by the window and read her Bible in the mornings and his father led the family in prayer time after breakfast, George learned the importance of a loving saviour. George said he asked Jesus Christ to be his Savior when he was nine or ten years. old. Later, in his later 20's, he was baptized in Two Buttes lake during the winter and the ice had to be broken in order for them to be baptized.

George was inducted into the armed services on May 19, 1942 and served in England, North Africa, Italy and France. He worked in motorpool for some time, assembling motorcycles, jeeps and trucks and transporting them to the front lines or wherever they were needed. While he was working in the motorpool, he was injured because someone had sabotaged the equipment. Later he became mess sergeant. He often spoken of leading the convoys with the cooking supply truck, when they moved to new locations. During this time he drew strength from the Lord by repeating the Twenty-Third Psalm, The Lord's Prayer and the Ten Commandments at night before going to sleep. He was discharged from the service September 28, 1945. He then returned to help his parent's farm and ranch and went to GI school, furthering his education with

agriculture related interests.

In June of 1950, He married Vela Mary Chatham. They fixed up and moved to the Hartwell Plough Place, where three children were reared, Jesse William, David Wayne and Etta Kay. George continued with farming and cattle raising until he semi-retired and turned things over to his son, David.

Through the years. George has served in many capacities in the church and in the community. He was a charter member of the Prowers County Sheriff's Posse and he served in many of the offices there. As long as his health permitted, he supervised the cooking of the barbecue for the Sand and Sage Fair and other functions. He also served as 4-H leader of a group of young boys for a few years.

The Frank family attended the Pleasant Heights Church of many years and George served where he was needed, as deacon, superintendent, Sunday School teacher and as a delegate board member of a youth camp, Camp Salvation. After Pleasant Heights disbanded, George was later privileged to help with the raising of funds and in the building of the Star Community Church where he has attended ever since, as health and weather permitted.

George is survived by his wife, Vela, of the home. Sons, Jesse (Doris) Frank of Kandern, Germany, David (Cheryl) Frank of the Frank Homestead and daughter Etta (Steve) Bachert of Two Buttes, Colorado. Five grand children, Sharla Frank of Seattle, Washington, Shawna Fank of Three Hills, Alberta, Canada; Simon, Rachel and Skip Bachert of Two Buttes, Colorado; two sisters, Wanda Brann of Model, Colorado and Lydia Frank recently returned from Democratic Republic de Congo, formerly Zaire, Africa; brother-in-law, Oran Chatham of Wiley, Colorado; Uncle Menno and Aunt Joan of Brooks, Alberta, Canada; sister-in-law, Ola Schibblhut of Lamar and Mary Chatham of Springfield, Colorado. Many nephews, nieces and cousins and a host of other relatives and friends also survive him.

Funeral services were held at 2 P.M. on Friday, May 22, 1998 at Peacock-Wood Chapel with Pastor Bob Hutchins of the Star Community Church officiating. Musical selections were "Life's Railway to Heaven", "Jesus Never Fails," "No More Night" and "Just as I Am". Soloist was George's grand-daughter, Shawna Frank accompanied by Leda Grahn on the organ.

Pallbearers were Bene Bond, Pete Orozco, Jon Grhn, LaVerne Grahn, Ramon Holguin and Ron Manley.

At the conclusion of the chapel service, family and friends traveled to Taft Cemetery for the final committal prayers and two songs, "When The Roll is Called up Yonder" and "When We All Get to Heaven" sang by those attending the graveside service. The American Flag was folded and presented to Vela in recognition of George's service to his country.

George graduated from Seminary in June, 1974 and Laura (now pregnant) & George took their first pastorate in Trenton, Nebraska that same month. Trenton, Nebrask is located in NW Nebraska and was a small town of 420 people. The church had about 50 people. The area was made up of farming and ranching. The family stayed in Trenton, Nebraska until April, 1979. Both Ben (born January 12, 1975 and Sarah (born December 26, 1977) were born in McCook, Nebraska in Red Willow County.

The family moved to Bertha, Minnesota in April, 1978 where George took his second pastorate at the First Church of God in Bertha. Bertha was a dairy farming community. The Church was about 100 people. Both Ben and Sarah started school in Bertha. We stayed in Bertha until the end of December, 1986.

During the Christmas vacation, January, 1987, the family moved to LaJunta, Colorado located on the Arkansas River in SE Colorado. Here George took a small state supported Church to try and get it re-started. Ben attended the Middle school in LaJunta and Sarah attended the Columbia elementary school. While there Ben broke his leg snow tubing January 10, 1988. He spent 6 weeks in traction in the hospital; another 6 weeks in a body cast at home; and another 6 weeks on crutches recuperating. The Church situation was not good and George resigned the end of September, 1988. Without another church to go to and with kids in school; George continue to drive school bus and found a job as a counselor at the Colorado Boy's Ranch, and Laura worked as LPN at the Arkansas Valley Medical Center.

A call came from the Grand Rapids First Church of God in Minnesota to see if we might be willing to come and Pastor the church there. After candidating in November, the family moved in January, 1989. George continued to Pastor the Church there. Laura worked as a clinic nurse at the Itasca Clinic. Both Ben and Sarah graduated from High School in Grand Rapids. George & Laura continued to live in Grand Rapids, Minnesota for 10 years until June, 1999 when George resigned the Church.

The first Sunday in July, 1999 George took the Pastorate of the Tillman Road Church of God in Fort Wayne, Indiana. They bought a home in the Trier Ridge addition on the south Side of Fort Wayne a couple blocks from the Church. --GMC 4/2000

They ran lots of tests and his brain was no longer functioning so Logan's parents decided to remove him from the machine that was keeping him alive. FROM GENTLEMEN TO TOWNSMEN: The Gentry of Baltimore County, Maryland, 1660-1776 by Charles G. Steffen, The University Press of Kentucky

In Discussing Tenant Land-owner relationships; Quote: For example, in 1748 Stephen Onion granted his tenant the right to cut timber for "Necessary repairs" to keep "the houses & Plantation in good order." Protecting woodlands seems to have been the chief concern, but landlords like Samuel Owings also worried about soil exhaustion. In 1767 he stipulated that his tenant **William Cheetam** could "not employ in the Cultivation and tending of said Land and premises more than himself his Wife and Children." Perhaps the most attractive aspect of leasing was that it enabled a landlord to improve his property without tying up an of his own money..."; p. 60

ABSTRACTS OF THE BALTIMORE COUNTY LAND COMMISSIONS 1727-1762, abstracted by Richard Miller, Family Line Publications, 1989:

Information found in these land commission records relates to the appointment of persons (Commissioners) to investigate the requests of land owners or other interested parties (Petitioners) in the establishment, or re-defining, of lost, destroyed or otherwise unknown natural boundary markers (normally trees) of various tracts or parcels of land in colonial Baltimore County (which included part of present day Anne Arundel County and all of Harford County). The names of many early settlers who gave testimony (Deposition) to their knowledge of the land and its bounds are available to the genealogical researcher in these records. In almost every case the age of the deponent is given, and many of the depositions reveal other useful data such as names of fathers and mothers and other family members.)

- #57 Petition of Josias Middlemore, 6 March 1735: In reference to several tracts: "Palmer Point" on west side of Swan Creek; "Swan Harbour" on Swan Creek; "Palmer's Forrest" on branches of Canberry Swamp and head of Rumley Creek; "Fanny's Inheritance" on west side of Swan Creek (in right of his wife); and "Raley" or "Raly". Also mentioned "Gouldsmith's Enlargment." (page 240-244)
- Deposition of Thomas Williams, 24 June 1736, age about 42: About 11 years ago William Cook and John Baley showed him the beginning tree of Dr. Middlemore's land. Henry Chatham also showed him the boundary.
- Deposition of Lucy Williams, 24 June 1736, age about 38. About 4 years ago Henry Chatham showed her the boundary. -p. 16

MARYLAND HISTORICAL MAGAZINE, "Sidelights: Original Land Grants of the South Side of Severn River" by Caleb Dorsey (Dec 1958), p394-400

"The area on the south side of Severn River is of considerable interest to historians and genealogist because it was to this region that an important mass migration of new settlers took place in the fall and winter of 1649-50.

"They came largely from what was then Lower Norfolk County, Virginia and apparently many were Puritans and other non-conformists. Governor William Berkeley of Virginia had recently legislated against these colonists for refusing to attend the established Church of England, even threatening them with legal action and confiscation of their property.

"At this time Cecili, Lord Baltimore, being especially desirous of colonizing this unsettled section of Maryland, authorized his Governor, William Stone, to confer with this dissatisfied group in an effort to induce immigration...."
